Quick activity

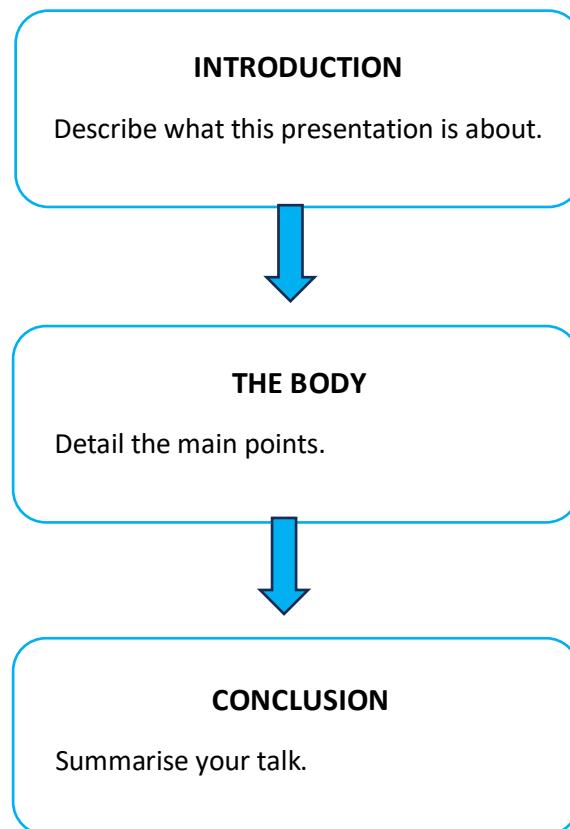

A short presentation

This quick activity is a great lesson starter and should take no more than 15 minutes.

The students must create a short presentation about a given topic.

They have 5 minutes to think and research – 5 minutes to write and then 5 minutes to give their presentation.

Introduce them first to the **three key parts** of a presentation.

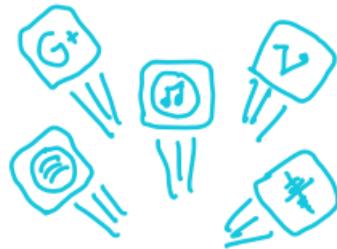

CREATE A SHORT PRESENTATION about...

an APP you use regularly

If you can, include the following:

- ⌚ The name of the APP
- ⌚ Is it free or did you purchase it? Any In-App costs?
- ⌚ Describe the APP
- ⌚ How long have you been using it?
- ⌚ How did you come across the APP (recommendation, research, by accident...)
- ⌚ Would you recommend it?

List of other presentation topics

- ⌚ Your daily life
- ⌚ A board game
- ⌚ Your favourite gadget
- ⌚ A memorable holiday
- ⌚ A sports event/ concert/ theatre play...
- ⌚ An animal (wildlife, domestic...)
